

Customisable Storage Trunk - L34 x W22 x H36 cm - 26.9 Litre - Wooden, ABS Trim

Reference: CSTSIZE15

£127.50

This trunk is constructed using a strong, impact resistant, black ABS frame (or alloy if you choose) with an interlocking body and lid system with a hinged lid. Traditionally riveted through the frame for strength using specialist bifurcated reinforced brass plated and lacquered steel rivets. Furnished with brass plated fittings (or chrome if you choose alloy edging) consisting of a center trunk lock with a loop for an optional padlock, 4 clasp catches, strong trunk handles, corners, strut hinges and dowel braces, 2 keys are supplied with this trunk. The fascia panels are finished with your choice of finish. Internally the trunk is finished with white impala patterned woven fiber paper. All trunks made by us in England Our fittings are supplied by a uk company that has specialised in fittings for 80 years Our bonding adhesive uses non toxic materials for safe use Our rivets are supplied by a British firm that specialises in rivet manufacture Our lining paper is from sustainable forests in Europe External Size L337mm x W222mm x H368mm Imperial External Size L13.25" x W8.75" x H14.5" Internal Size L317mm x W202mm x H356mm Imperial Internal Size L12.5" x W7.5" x H14" Weight 3 Kg Capacity 26.9 Litres Ordering a customised trunk is easy with our 4 step process. 1) Select the size of trunk. 22 sizes are available so there will be a trunk for every purpose.
