

# Liveryman Arena Plus

Reference: S0622

**£462.00**

This popular clipper has been recently upgraded to a powerful 200w motor this clipper at the top of the medium duty clippers. It has a counter balanced crank that reduces vibration and a air cooled cutting head. Robust double gear train ensures all the motors torque is transferred to the cutting head. Weighing just 920gram (excluding cable) means less operator fatigue. Uses Liveryman / Wolseley / Liscop blades. Ideal for the 2/3 horse owner.
