

## ST Series Sweeper - ST 120

Reference: S0698K

**£4,221.84**

ST Series Sweeper The ST Powered Sweeper is designed to sweep and collect grass, leaves, litter and horse manure behind a compact or small tractor up to 50HP. When sweeping on grass areas such as paddocks it has the added advantage of lightly scarifying the turf. Features include PTO driven sweeper with collection hopper. Requires a tractor with 540 rpm power take off. Standard machine is trailed using the drawbar and is fitted with manual tip hopper. Hydraulic tipping hopper is optional and requires one double acting auxiliary service on the tractor. 3 point linkage mounting is optional and can be chosen by using the drop down selection above. Gearbox and chain transmission. Floating linkage allows sweeper to follow ground contours. ST Series Specification Model ST120 ST150 Working Width 1.2m 1.5m Overall Width 1.5m 1.8m HP Required 15-30 20-40 Weight 147kg 170kg Hopper Capacity 600 litres 750 litres
