

Sovema TRIS Flail/Scarifier with collection - TRIS L 120

Reference: K004K

£7,472.52

Sovema TRIS Flail/Scarifier with collection The Sovema TRIS is a Flail Mower with integral collection hopper suitable for use on playing fields, sports pitches, golf courses and green areas around housing estates and industrial units. Features include Gives a clean finish on grass areas. High suction guarantees collection of the cut grass even in wet conditions. Very effective at collecting leaves. Paddle type flails cut the grass cleanly and blow it directly into the large capacity hopper. Hydraulic unloading of the hopper. TRIS L is the low tip version and dumps the cut grass directly onto the ground. TRIS H is the high tip version and can tip the grass into a skip or trailer with a 1.7m unloading height. Rear roller with scraper controls the height of cut. Twin belt drive. Scarifying flail option. TRIS H version has rear castor wheels with hydraulic operation up and down to ease the weight on the back of the tractor. Optional Extras Scarifying Flails TRIS120 64 Flails + 32 Fans TRIS150 80 Flails + 40 Fans TRIS180 96 Flails + 48 Fans Other Information Model Working Width Overall Width Weight Kg HP Required TRIS L 120 1.2m 48" 1.38m 55" 445 25-35 TRIS L 150 1.5m 60" 1.65m 66" 500 29-45 TRIS L 180 1.8m 72" 1.95m 78" 540 35-60 TRIS H 120 1.2m 48" 1.38m 55" 670 20-35 TRIS H 150 1.5m 60" 1.65m 66" 740 25-45 TRIS H 180 1.8m 72" 1.95m 78" 810 35-60
